

ACCENT REDUCTION - GROUP TRAINING (VAG)

The Accent Reduction Course can be tailored to be taught as a half day/full day group workshop for 4-8 people.

Purpose:

This is a useful course for executives and others for whom English is a second language. If you find your accent is getting in the way of you being properly understood, you could benefit by having a few lessons with us. We work with you to improve your articulation and clarity and overall understanding of how to speak well in the English language. This course can be conducted in-house over a half day or full day.

This course is also taught internationally via Phone-IN.

- What you will learn:
- How to improve your voice so people can easily understand you.
- How to sound clear, convincing and confident when speaking.
- How to project your voice properly in all sorts of meetings and situations.
- Learn how to speed up or slow down, and how to use inflections and pauses to make what you say more interesting.
- How to tell if someone is understanding you.
- How to reduce any speaking anxiety.
- How to improve your grammar usage and pronunciation.
- How to deliver a clear message in English, and get the results you want.
- And much, MUCH more!
