

ACCENT REDUCTION-LONG COURSE (VAA)

Great for anyone who has ever wanted to improve their voice and would feel more comfortable having a longer course of lesson supervision and practise.

Purpose:

This is a useful course for executives and others for whom English is a second language. If you find your accent is getting in the way of you being properly understood, you could benefit by having a few lessons with us. We work with you to improve your articulation and clarity and overall understanding of how to speak well in the English language. This course is 8 x 1hr sessions.
