

ACCENT REDUCTION (VAR-PI)

Great for anyone...who wants to be heard and understood.

Purpose:

This is a useful course for executives and others for whom English is a second language. If you find your accent is getting in the way of you being properly understood, you could benefit by having a few lessons with us. We work with you to improve your articulation and clarity and overall understanding of how to speak well in the English language.

© The Voice Business 2013

This course is taught domestically and internationally via PhoneLink and Skype.

What you will learn:

- How to improve your voice so people can easily understand you.
- How to sound clear, convincing and confident when speaking.
- How to project your voice properly in all sorts of meetings and situations.
- Learn how to speed up or slow down, and how to use inflections and pauses to make what you say more interesting.
- How to tell if someone is understanding you.
- How to reduce any speaking anxiety.
- How to improve your grammar usage and pronunciation.
- How to deliver a clear message in English, and get the results you want.
- And much, MUCH more!
