

# PUBLIC SPEAKING-GROUP (PSG)

Great for anyone...who wants to speak with confidence.

### Purpose:

This course is specifically designed to help you gain confidence and practice in public speaking in a group setting. During the course you will learn how to move easily through anxiety into enjoyment of the process of speaking and sharing your information and yourself. You will discover how to make what you say interesting and informative so that your audience concentrates on the message and not on judging you, the speaker. You will learn different ways to address different types of gatherings; how to organise your ideas; how to use your voice and body to your advantage and how to use microphones correctly. By the end of the course you should expect to feel a lot more confident and enthusiastic about speaking in public.
