

VOICE COACHING FOR LAWYERS (VPW)

Great for lawyers...who want to speak with eloquence.

Purpose:

This course is specifically designed to help you gain confidence and practice in using your voice in a court or seminar setting. During the course you will learn how to move through natural anxiety into enjoyment of the process of speaking and presenting your information and yourself. You will discover how to make what you say interesting, informative and persuasive so that your audience concentrates on the message and not on judging you, the speaker. You will learn how to use your voice and body to your advantage and how to use microphones correctly. By the end of the course you should expect to feel a lot more confident, secure and eloquent in your speaking.
